Located in the highly sought-after Havenfields community of Carstairs, The Lisa by Tailored Home & Design Ltd. effortlessly blends trend-forward finishes with smart functionality – all while maintaining quality craftsmanship. And the best part? It's packed with premium upgrades already included!

Starting with curb appeal: an oversized 25' x 27' garage, built to fit two full-sized trucks comfortably – complete with an upgraded 18' x 8' garage door for extra clearance and ease.

Step inside and you're greeted by a spacious mudroom outfitted with custom built-ins – a full-height bench, cubbies, and storage for busy households that need both style and structure. From there, flow into the butler's pantry, a major upgrade from your standard walkthrough. Think luxury full-height cabinetry, quartz countertops, floating wood shelves with in-set puck lighting, dedicated microwave drawer space, and a seamless connection to the gourmet kitchen that includes a \$10,000 appliance allowance.

The main kitchen is fitted with custom soft-close cabinetry, quartz surfaces, and a striking matte black sink with brass faucet – all paired with a stunning backsplash and premium hardware. The open-concept living and dining space includes a cozy gas fireplace, tons of natural light, and access to a

fully covered composite back deck – low-maintenance, high impact.

Upstairs, the layout shines with two bedrooms – both featuring walk-in closets, two large linen closets, a bonus room with maple railing and metal spindles, and second-floor laundry already complete with a countertop, upper cabinetry, and built-in storage.

The primary retreat checks every box: space for a king-sized bed, a luxurious ensuite with dual vanity, soaring mirror, private toilet room, custom 5' shower, and a two-person 6' soaker tub – plus a walk-in closet accessed right from the bathroom.

Downstairs, the basement benefits from the Lisa model’s expanded layout and the elevated lot. You’ll find three oversized above-grade windows flooding the space with natural light. The basement is roughed-in for infloor heat and can easily accommodate 1–2 bedrooms, a full bath, living room, and storage – or even space for a future pool table.

Located just 40 minutes from Calgary and steps from the pond and walking paths – this home is the complete package.

Don’t just take our word for it – book your private showing today and experience why The Lisa by Tailored Home & Design Ltd. truly stands apart and raises the bar for everyday living.
