This cozy, well kept bungalow has been wisely positioned on a double lot! The big deck, with the beautiful trees make this yard a summer time dream! Hardwood and tile floors, a great 4pce bath that has been completely updated, newer appliances, 8 year old central air, and the list goes on...including more space downstairs (lower bedroom window may not meet egress). There's even a single detached garage and plenty of space for additional or RV parking!! This one is really a cute home at an affordable price!!
