Ideally located on a quiet cul-de-sac with no through traffic, this stunning 5 BED 4 BATH home sits on a massive, landscaped pie-shaped lotâ€”perfect for families with kids and anyone who loves gardening or outdoor entertaining. Pride of ownership is evident throughout, inside and out.

Step inside to a bright, open-concept main floor featuring brand-new luxury vinyl plank (LVP) flooring and an expansive living room that flows into a spacious dining area with large windows framing open sky views. The modern kitchen includes newer stainless steel appliances, a gas stove, quartz countertops, and a large dedicated pantry. A convenient main floor laundry room and 2-piece bathroom add to the functionality of this well-thought-out space. Walk out to a massive deck that connects directly to the oversized garageâ€”ideal for entertaining and everyday convenience.

Upstairs, you'll find more LVP flooring (no carpet anywhere), a dedicated office nook, and three large bedrooms with oversized

Two recently renovated full bathrooms complete the upper level with style and comfort.

The fully developed basement adds even more versatility with two additional bedrooms, a full bathroom, and a huge rec room, all with LVP flooring and tiles. The layout is ideal for converting into a legal secondary suite (subject to city approval), with a potential side entrance at ground level—no digging required.

Additional highlights include upgraded front windows, a newer hot water tank, and a location that's walking distance to bus stops in both directions, schools, parks, shopping, and restaurants.
