Welcome Home! This stunning 1,918 sq ft two storey in Vista Crossing, Crossfield must be seen to be appreciated! Backing onto WATER and on a prestigious street, you will not find a better location than this. Located close to PARKS, the OUTDOOR RINK, and walking distance to local SCHOOLS, (plus a RV school bus that stops on Amery Crescent with service to Airdrie schools), makes this is a dream location for any family.

The front yard is tastefully landscaped with fresh mulch and low maintenance flowers and shrubs. Enter through the front door and appreciate the open floorplan and high ceilings. Entering through the heated over-sized double garage (large enough to accommodate a full-sized truck), you will find a bench with built-in storage and coat hooks, along with a WALK-IN SHOE/COAT CLOSET – plenty of space for the whole family’s mess, then simply close the door! The walk-in pantry and full-height cabinets provide plenty of storage and the island is the perfect prep space with a farmhouse sink and space for barstools. The dining area is large enough for a full-sized table, and huge windows on the back of the house offer a view of the water and lots of nature light. The living room features a gas fireplace with a built-in bench that runs the

length of the wall. Upstairs the at the end of the hall is a bonus room with vaulted ceilings and huge south-facing windows. There is a laundry room, 2 bright and open secondary bedrooms, and a 4-piece bath. The primary suite has plenty of space for a king-sized bed and big windows with a view of the backyard and water. The ensuite includes dual sinks with tons of counter space, a gorgeous tub with separate walk-in shower, water closet, and a huge walk-in closet. All three bedrooms feature California closet systems!

The lower level is a well-designed walk-out, acting as extra storage space and awaiting your development ideas! The house comes equipped with CENTRAL AIR CONDITIONING for those hot summer days.
