Here is a renovation waiting to happen. Look at the potential in this 2005 20 wide manufactured home. Big vaulted ceilings in the living room through to the kitchen. Big center prep island in the spacious kitchen with plenty of storage and a generous sized dining area as well. The primary bedroom is over 18 feet wide and has a walk in closet, huge 4 piece ensuite that consists of its own shower and features an oversized jetted corner tub surround by a wall of glass bricks.
