3 Bedroom, 2.00 Bathroom, 892 sqft

Residential on 0.14 Acres

NONE, Didsbury, Alberta

Cute little home in north end of Didsbury. This home has been rented for a long time and needs a little TLC, but where can you get your first starter home or your next investment. This home has back alley access, single detached garage, fruit trees, is partially fenced, metal roof and is ready for you to make this your new home. Some newer flooring has been installed in the last few years but the shining attraction is the hardwood flooring. There is a little extra room for some off street parking. This is a hidden gem waiting for you to call your realtor and book your showing.

Built in 1945
